
I'm not sure what this is, but it's the only result when I type in "Veerappan full book in tamil pdf download" into Google. Veerappan is a cross-bred tiger who was hunted and killed by the Indian government in the 80s. He became a famous part of folklore and sparked many legends. The full book is written by M. Karunanidhi, the most famous Tamil writer of all time. It is the story about Veerappan and his crazy adventures. The story has many interesting and fantastic characters. This book is in Tamil and English. The book is an adaption of the novel "Veerappan" by K. Padmaraju, which was earlier adapted into Telugu as "Veerappa". It was then translated into Hindi by Bali Raman (1991) and published by Anmol Publications (Varanasi) .

The Tamil Film director M. Saravanan has adapted this story in a movie named "Veerappan". This movie is going to be released on September 22, 2016.

The Tamil film Veerapaa which was released in India on 17 November 2015 and worldwide on 21 November 2015 was a biopic of India's most wanted man, Veerappan. The movie was directed by N.Ravikumar and written by Kishore Prasad. It was produced by P. V. Prasad, V.Ravichandran and R. Sarathkumar under the banner of The Show People. The film starred sandalwood star Sudeep in the title role with Vedhika and Radhika Apte playing the female leads. Talking about casting for the lead role, director Ravikumar said, "Sudeep was my first choice for Veerappan" while producer V Ravichandran said, "Sudeep has played a lot of criminal characters in Sandalwood films and his powerful screen presence makes him apt for the role".
